

# You are still neighbors— by telephone

OLD friends may have moved away to a distant city. Many miles may separate you now. But your friendship need not cease, for you are still neighbors. The miles between are easily bridged by telephone. You may visit regularly at very small cost. A visit by telephone is personal, friendly — the next best thing to being there. Don't neglect that friend another day . . . telephone today.

*Day or night we are ready to speed your voice to a neighboring village or a far-off corner of the world — always at a moderate cost.*
